In its effort to provide a rigorous expanded curriculum that will adequately prepare students for future educational and workplace endeavors, the Cleveland County Board of Education shall allow carefully selected high school juniors and seniors to enroll concurrently in community colleges/technical institutes in accordance with state law and regulations, State Board of Education policy, guidelines developed by the Superintendent, and the rules and regulations of the cooperating community college/technical institute. Principal approval is required. In addition, the parent or guardian of the student must give permission for the student to take the course.

Students shall not receive credit on the high school transcript for courses taken at a community college or technical institute, with the exception of Career and College Promise courses and Learn and Earn courses.
