GOALS AND ORGANIZATION OF
STUDENT HEALTH SERVICES

Policy Code: 6100

The Cleveland County Board of Education (the “Board”) recognizes the link between student health and learning. The goals of student health services are:

1. to encourage the physical well-being of all students;
2. to integrate health-related services provided in the school setting, including those provided by counselors and health specialists;
3. to provide health services in a manner that reinforces the objectives of the healthful living education curriculum;
4. to work cooperatively with other governmental agencies and professional associations interested and involved in the health of students;
5. to use up-to-date research findings to develop and provide health services to students;
6. to meet all legal obligations; and
7. to provide courteous service to students and parents.

The Superintendent shall establish student health services consistent with the goals of the Cleveland County Board of Education as provided in policy, state and federal laws and regulations. Duties related to the health services will be included in appropriate job descriptions. Each principal is responsible for providing supervision of the student health services offered at his or her school.
